

## Become an ACCREDITED EMI Teacher

As a validated center, YunTech is authorized to offer the UK-government regulated Cert PT for Best Practices in EMI on our campus! With already 15 of our faculty (14 full-time and 1 part-time) registered for this qualification, you definitely want to book your place. Join one of these programs now

### 1. July 03 Accredited EMI Teacher's Course (Intensive).

Stop wasting time with unregulated courses and low-quality qualifications. Register for the UK government-regulated qualification, the Cert PT for Best Practices in EMI, offered by Trinity College London, that begins July 03 and get accredited in a few months.

### 2. May 02. Accredited EMI Teacher's Course (Flexible).

Like the intensive course, our flexible course helps you to earn your accreditation as an EMI teacher, but with two thirds of the course done online, you can study at your own pace. Consultation and guidance is available even as you study on your own and work toward your accreditation under a flexible and relaxed time frame.
